[Despatch Abstract.]

Fisheries - Temporary staff in Fish curing yards in South Kanara Dt - further continuance - Sanctioned

/

Department of Industries and Commerce.

---

From
The Addl. Director of Industries and Commerce, Chennai, Madras 5.

To
The Secretary to Government, Agriculture Department, Fort St. George, Madras 9.

V-V-V-

The Fish Curing Yards at Hungarcutta, Udiawar, Ullal and Hosdrug are major yards in charge of a Sub Inspector each assisted by taree peons. This is the minimum staff fixed for a Sub - Inspector's Yard. At Manjeshwar, there is a Petty Yard Officer assisted by two Peons. The staff now employed is the barest minimum, requirements of these yards for their efficient administration.

The Sub Inspector, Hungercutta yard is the unloading - Officer of salt for that yard. The Sub Inspector, Ullal yard is in charge of the said Ullal Deep Sea Fishing Centre and it is the biggest Shark Liver Oil centre in the district. The Sub Inspector, Hosdrug apart from being the salt unloading officer for the yards of Hosdrug Sub Taluk viz. Hosdrug, Poonjavi and Thaikadapuram is also a bill cashing officer for the pay and allowances of the following institutions of Hosdrug Sub Taluk.

| | |
|---|---|
| Ajanur Ele. School | 5 teachers. |
| Manikoth Ele. school | 2 " |
| Kanhanad Hr. Ele. School | 11 " |
| Chervathur Hr. Ele. School | 9 " |
| Hosdrug Ele. School | 5 " |
| Udinoorkadapuram Ele. School | 4 " |
| Padne Ele. School | 4 " |
| Hosdruge Yard | 1 Sub Inspector & 3 peons. |
| Poonjavi Yard | 1 Petty Yard Officer & 1 Peon. |
| Thaikadapuram Yard | -do- |
| Mileshwar fish farm | 1 Fieldman and 3 fishermen. |

In a year the Sub Inspector will have to attend to the unloading and distribution of about 8000 bags of salt and the encashment of about 144 bills amounting to Rs. 36000/- Th consumption of salt in this yard is also fairly heavy and hence Sub Inspector is necessary. The transactions@ of a Sub Inspector for the proper and efficient administration of these yards. At Ullal, though the transactions are not so heavy when compared to the other yards in charge of SubInspectors, it is a big Deep Sea Fishing and Shark Liver Oil Extraction Centre. The services of a Sub Inspector is therefore quite necessary for the yard for the proper administration and correct maintenance of accounts.

@ in Udiawar and Hungarcutta Yards are also heavy enough for the employment

I, therefore request that the Government may be pleased to sanction the continuance of the Staff mentioned in para 1 above for a further period one year from 1-3-56. The expenditure is debitable to 40 Agriculture - Fisheries - 3. Fish Curing Yards.

Sub:- Fisheries. Estt - Temporary Staff in the Fish Curing yards in South Kanara Dt further Continuance - Proposals.

Ref:- From the Addl. Dte lr no. 25324 X1/55 dt. 28.12.55

Do A.S.

The letter from the Addl. Dte at pp 1-2 of may be perused.

2/ From the Statement at pp 3-4 of it is seen that during 1954-55 there was neither any appreciable increase in the transactions in the 15 yards in question nor any considerable decrease warranting any reduction in the existing staff. There seems to be sufficient justification for the continuance of the existing staff in all the yards except in Padukere yard. (*) vide item 4 on pp 3-4

As regards Padukere yard it is submitted that it is a private yard and the cost on account of the staff will be recovered from its owner and credited to Fisheries Deptt. (3) will form 2 on pg

In the circumstances the proposal of the Addl. Dte for the continuance of the existing staff in all the 15 yards in question may be accepted. Subject to orders a draft order is submitted for approval. * 2 on pg 2

Finance may see for acceptance
